Thank you to all the PMLC members and friends and family who supported us through Tom's heart attack and lung issues. I cannot imagine what I would have done without all of you helping with meals, gift cards, cash, cards, gifts and letters.

A very special thank you to Pastor Paul, Susan, Jay, Melissa, and Allen Gray who sat and supported Jason and me during Tom's long surgery. Tom's hospital stay in the ICU was extra-long and sometimes VERY frightening, but the church and my sister and brother-in-law helped Jason and me get through it.

Tom is recovering and it may take a long time but his spirits are up. He just finished going through the many, many cards he received from all of you and I know it humbled him that so many people were praying for him.

It is truly a miracle from God that Tom is still alive!! I hope it reminds all of us that God is in control and we are not. I know that the Blands are looking at life differently and thanking God each day for His many blessings! We thank God for each and every one of you! ~Tom, Linda and Jason
